

## Register of Sponsors Licensed Under the Points-based System

This is a list of organisations licensed to sponsor migrants under Tier 4 of the Points-based System. It shows the organisation's name (in alphabetical order), the tier(s) they are licensed for, and whether they are HTS, A-rated, B-rated or Legacy against each sub-tier. Legacy sponsors cannot sponsor any new students. They can continue to sponsor existing students who are already studying with them until either they finish their course or until their licence expires, whichever happens first. A sponsor may be licensed under more than one tier, and may have different ratings for each tier.
